Follow this track slight uphill to a wooden bridge. Cross over the bridge and head across the field to Aylesby Road where you will need to cross over safely. Head straight ahead along the public footpath.

Continue straight following the footpath signs all the way along this path. You will pass 2 large wind turbines to your right and left. You will eventually come to a wooden bridge on your left-hand side.

Go over the bridge and head straight ahead across the field. You will come to a small copse, turn LEFT here and head through a small wooden bridge & metal gate ahead. Follow the footpath across the field to another wooden bridge.

Head over the bridge and follow the path straight ahead. You will come to a set of woods, turn **RIGHT** into the woods. Turn **LEFT** to exit this set of woods and head straight. Then turn **RIGHT** into another small wooded area. Head straight ahead and you will exit on Stallingborough Road. Turn **RIGHT** onto the footpath.

Head along this footpath, passing Healing Manor Hotel on your right-hand side. Just past the Manor you will see a public footpath on your right. Turn **RIGHT** and head down towards Healing Manor Hotel Grounds.

Once in the grounds, keep straight ahead, you will see a sign for the Hotel overflow carpark to your left. Head **LEFT** into the car park and make your way across to the far right-hand side corner. Follow the track that turns **LEFT** towards a field. Head straight across this field. (please note that this is a temporary path that takes you through to the field behind the Hotel)

Once across the field, continue straight ahead to the tarmac road. Turn **RIGHT** onto the road – Aylesby Lane. Head all the way down the lane to the bottom. Head straight ahead at the bottom onto a grassed track. Follow this path, it will veer right towards a wooded bridge. Turn **LEFT** over the bridge and then immediate **RIGHT**.

You are now back on the track towards the road that you crossed earlier. Keep going straight until you reach the road again. Cross over the Aylesby Road again safely and head back across the field to the wooden bridge.

Cross the bridge and head straight back down towards the house. Head through the right-hand side of the house and turn **RIGHT** onto the lane that you started on. Follow the lane back to the end and the lamp post that you started at.

This is your **FINISH**.
